

ANNUAL INDEX

VOLUME 46 NUMBERS 1-10

JOURNAL OF THE AMERICAN DENTAL ASSISTANTS ASSOCIATION

—A—	
ACADEMY OF GENERAL DENTISTRY	
AGD to celebrate silver anniversary	June 46
Denturism called hoax by AGD president	May 11
AMERICAN DENTAL ASSISTANTS ASSOCIATION	
Annual Audit	May 34
Annual Session	
ADA picks Las Vegas and St. Louis for sessions	November/December 6
Annual Session proceedings	November/December 27
53rd Annual Session tentative schedule of events	July/August 10
Memo . . . from Miami Beach	May 39, June 29, July/August 14
	September 41
C'ficial call to 53rd Annual Session	July/August 10
Official program	September 25
Review of the 1976 Annual Session	January 25
Benefits and Services	
ADAA membership benefits and services	May 32
Candidates	
for office	September 42
for trustees	September 46
Central Office	
ADAA participates in conference	June 8
ADAA sponsors October cruise to Nassau	March 8
Travel with ADAA on its cruise to Nassau	April 41
Where does the money go? Allen, Shaun, M.	May 29
Certification	
Achievement through certification Bishop, Edith	April 31
ADAA continuing education courses	October 32
Mission possible—meet the CDA date in '78	April 26
Organizing a study group Holbrook, Fran	April 28
Problems encountered as an Independent Study student Jones, Mary Rita	April 30
Rules and regulations for certification	November/December 50
Why be certified? Hill, Daniel D.	April 27
Certifying Board	
Examination audit	April 39
New Certifying Board policies	March 33
Pass the word	May 38
Take the self-assessment test at annual session	July/August 53
Wanted by Certifying Board	February 38
Why be certified? Hill, Daniel D.	April 27
Committees	
Budget & Finance	September 38
1978 proposed budget	September 39
Bylaws	
Proposed bylaws amendments	July/August 56
Education	April 32
JAS Relief	June 32
JAS Scholarship	April 40, October 34
Legislation	June 32
Nominating	April 40
Component, Constituent, Legislative	
Better self-image and communication goals of new Minnesota DAA president	June 6
Washington State DAA releases survey results	May 11
Education	
Achievement through certification Bishop, Edith	April 31
Mission possible—meet the CDA date in '78	April 26
Organizing a study group Holbrook, Fran	April 28
Problems encountered as an Independent Study student Jones, Mary Rita	April 30
Journal	
Bicentennial issue wins ICD honor	April 8
Membership	
Membership application	March 12
President	
An interview with ADAA President Helen Tuchner	June 12

A sleeping giant Schafer, Jennie	November/December 44
President's inaugural address	February 33
Solo performance Torres, Hazel	January 30
State presidents	
Allen, Marcia OR 77/78	November/December 58
Anderson, Evelyn NJ 76/77	May 44
Averett, Connie UT 76/77	March 43
Babiak, Connie OH 76/77	June 40
Bergl, Kathy CO 76/77	June 39
Clary, Vada TX 77/78	September 59
Conner, Donna OK 77/78	October 44
Fisher, Gerry IN 77/78	October 44
Fleurant, Gloria RI 76/77	June 39
Freeman, Bobbie GA 76/77	May 44
Grondin, Diane MA 76/77	May 43
Hanabarger, Bonnie IL 77/78	November/December 58
Hedtke, Marlys MN 76/77	March 43
Jespersion, Kathy IA 77/78	October 43
Lynn, Diane NE 77/78	September 60
Ochoa, Elizabeth SC 77/78	September 60
Owen, Kristene MT 77/78	September 59
Penuel, Marcia ND 76/77	May 43
Scott, Betty MO 77/78	October 43
Structure	
Channels of communication Cupkie, Patricia A.	September 20
AMERICAN DENTAL ASSOCIATION	
ADA, ADHA clash on primary care policy	November/December 6
ADA asks continued use of saccharin	July/August 8
ADA board asks dues increase	September 8
ADA opposes auxiliary changes	April 8
ADA picks Las Vegas and St. Louis for sessions	November/December 6
ADA tests for water fluoridation	November/December 6
Dr. Butts resigns as ADA editor	October 8
Entries solicited for preventive award	June 6
FTC cites ADA for restraint of competition	March 8
Suicide workshop slated by ADA	March 11
Survey results on auxiliaries available	June 8
AMERICAN FUND FOR DENTAL HEALTH	
AFDH founders are honored	May 12
Ten cities chosen for preventive study	May 11
ANESTHESIA	
General anesthesia for restorative dentistry (abstract) Adelson, Jerry J.	April 35
Nitrous oxide analgesia (abstract) DeJean, Edgar K; Jee, Arthur; Miller, George P; Narang, Ramesh	March 28
Palatal ulceration after use of local anesthetic (abstract) Hortenian, Kenneth M; Stenger, Thomas G.	October 28
Reactions to local anesthetics (abstract) Brown, E B.	November/December 24
AMERICAN SOCIETY FOR PREVENTIVE DENTISTRY	
ASPD decides to call it quits	September 6
Dr. Cheraskin will receive ASPD award	April 9
—B—	
BEHAVIOR	
Maternal influence on the behavior patterns of children in the dental situation Gershen, Jay A.	October 17
The psychotic patient (abstract) Waman, Earl P.	February 35
BOOK REVIEWS	
Clinical practice of the dental hygienist Wilkins, Esther	February 46
Communication in the dental office Frollich, Robert E; Bishop, F Marion; Dworkin, Samuel F.	February 46
Comprehensive review for dental hygienists Peterson, Shailer	April 43
Essentials of periodontics Pawlak, Elizabeth A.	September 53
Introduction to oral preventive medicine Muhlemann, Hans R.	September 53
Review of dental hygiene Steele, Pauline F.	May 42
BRUXISM	
Bruxism control (abstract) Heller, Robert F and Forgione, Albert G.	February 35
—C—	
CANADIAN DENTAL NURSES AND ASSISTANTS ASSOCIATION	
Ontario assistants to host convention	July/August 6
CARIES	
Rats vaccinated against tooth decay	April 8
CHAIRSIDE DENTAL ASSISTING	
Saliva control with cotton rolls, Christiansen, Gordon J and Simon, William J.	May 25

—D—

DENTAL ASSISTING

- The assistant's role on the dental health team,
present-future Oldham, Dorothy May 20
You've come a long way, baby
Anderson, Allan R. February 16

DENTAL ASSISTANTS IN THE NEWS

- Kansas DAA honors 50-year assistant July/August 6

DENTAL AUXILIARIES

- How to interview the dentist employer
Sapp, Jacqueline June 6
Survey results on auxiliaries available June 8

DENTAL DRILLS

- Dental practice act word search July/August 54
Dental word puzzle May 5
Rubber dam word puzzle September 10

DENTAL OLYMPICS

- DAs encouraged to enter dental olympics July/August 8

DENTIN

- Hypersensitive dentin Simon, William J and
Hilborn, L Bruce September 16

DENTURISM

- Denturism called hoax by AGD president May 11
Maine denturist bill becomes law October 8
Six states have denturism bills pending April 8

DIET AND NUTRITION

- Nutrition education in dental practice (abstract)
DePaola, Dominick and Cheney, H Gordon March 28
Sugar substitutes Messer, Harold November/December 17
The fat of the land Collins, Jennifer November/December 14

DISEASES AND INFECTIONS

- Breaking an infection chain Parker, Richard B. February 25
Congenital syphilis Ritter, Cheryl May 23
Degenerative joint disease (abstract) Swintak, Edward F;
Schriver, William R; Tsagaris, George J. November/December 24
Hazards of dentistry Dhuru, Virendra B, and
Forgie, Robert W. October 12
Herpes simplex virus (abstract) Batra, G K, and
Nahmias, A J April 39
Periodontal disease in pregnancy (abstract) Samant, Asha;
Malik, C P; Chabra, S K; Devi, P K November/December 24
Prevention of contamination in the dental
office (abstract) Alms, T H September 48
Use of antibiotics (abstract) Gutmann, James L April 35
Viral hepatitis B Watkins, Beverly J February 18

—E—

EDITORIALS

- A new survey June 11
A spirited annual session September 13
Certification proposal—creative passage or
backtracking October 11
Delegate strength January 15
Education's expanding horizons April 11
Governmental nudges March 15
Lowered voices and quiet progress November/December 13
Setting priorities May 17
We asked for it February 15
You've come a long way—maybe Wilson, Shirley July/August 17

EDUCATION

- ADA opposes auxiliary changes April 8
Annual educational materials contest February 45, April 42
A protocol for identifying extramural clinical practice
sites for a dental assisting program Ford, Charles W,
and Weaver, Shirley A April 18
Auxiliary faculty institute scheduled April 9
Boston U has master's program for CDAs July/August 8
CLEP—college credit for experience April 34
Continuing education programs available to
dental auxiliaries March 34, September 55, October 37
Dental assisting education—a status report
Sigmon, Joyce September 18
Expanded duties—alive and well
Payne, Mary Jackson April 23
Louisville offers CDAs expanded functions November/December 6
New DA program begun in Maine October 6
Preparation of dental educators
Rzonca, Chet; Klaus, Vivian; Doubet, Robert April 12
Teacher programs available at SUNY March 11

EMPLOYMENT, DENTAL ASSISTANT

- How to interview the dentist employer
Sapp, Jacqueline June 26

- Survey results on auxiliaries available June 8
The ABCs of building a better career
Bakdash, M. Bashar, and Reif, Susan E. March 16
VA sets certification as an EFDA
requirement March 8

ENDODONTICS

- Apical curettage or apicoectomy? Wakely, John W and
Simon, William J. February 29
Emergency treatment (abstract) Weine, Franklin March 44
Studies suggest improved treatment September 8
The calcium hydroxide pulpotomy, Simon, William J, and
Bawden, James W. November/December 20
Vertical root fractures (abstract) Plant, John J and
Uchin, Robert A. March 44

ENVIRONMENT

- Concern voiced over EPA water regulations September 61
No conflict seen in energy vs environment September 6

EXPANDED DUTIES

- Expanded duties—alive and well Payne, Mary Jackson April 23
Expanded duty dental assistants in solo
private practice Douglass, Chester W; Gillings, Dennis B;
Lindahl, Roy L; Moore, Sandra June 18

—F—

FLUORIDATION

- ADA tests for water fluoridation November/December 6
Concern voiced over EPA water regulations September 61
The case of the Colorado stain, Dietz, Gail A. January 16
Total fluoride intake (abstract) Messer, Harold October 28

FORENSIC DENTISTRY

- Bite-mark lesions in human skin (abstract)
Sognnaes, Reidar F, and Therrell, Richard June 28
Dentists help solve child murders April 9

—G—

GERIATRIC DENTISTRY

- Dental problems of older people (abstract)
Brehm, Thomas W February 34

GOVERNMENTAL REGULATIONS

- New tax law allows credit for child
care March 8
FTC cites ADA for restraint of competition March 8
VA sets certification as an EFDA
requirement March 8

—H—

HEALTH

- The fat of the land, Collins, Jennifer November/December 14

HYPERTENSION

- ADAA participates in conference June 8
Hypertension as a cause of periodontal
disease (abstract) Arendt, Douglas M, and
Elzay, Richard P September 48

IMPLANTS

- Implants not for all warns scientist June 8

INJURIES

- Emergency treatment of foreign bodies lodged in
the trachea, Siegel, Elliot B, and Friedlander, Arthur H. March 25
Hazards of dentistry Dhuru, Virendra B, and
Forgie, Robert W. October 12
Potential liability in battered child cases (abstract)
Sheridan, Bart September 48
Root fractures (abstract) Besner, Edward February 34

INSURANCE

- ADAA insurance programs October 36

—K—

KELLOGG GRANTS

- Kellogg commits money to dental quality February 8
State dental policies to be reviewed October 8

—L—

LABOR FORCE

- Study shows increase in working mothers May 11

LAWS AND LEGISLATION

- And there was light—in Michigan Jenks, Kathryn,
and King, Evelyn July/August 34
A rocky road—in Ohio July/August 40
Blood, sweat and tears—in Oregon Kihns, Linda,
and Hoekstra, Jacque July/August 39
Certifying the certifiers Hill, Daniel D July/August 46
Contacts July/August 52
Cooperation is the key—in DC
Troup, Ann July/August 34
Dental overseer, Angerbauer, Kent L July/August 42
Enroute to registration—in Maryland
